## Forward

We present you the Cathedral Year Book under a new name and guise.—It bears the name of "THE CRUSADER" as it is an extension of our regular monthly publication.

Unlike the conventional form of annuals, it will not be built around a central theme.—This present book might be more correctly styled a "Souvenir Book", as it pur- poses, in a modest way, to portray in a single volume, the happenings of outstanding interest which occurred during this, our final year at the Cathedral High School.

—THE SENIOR STAFF.

Most Rev. Henry Althoff, D.D.  
Bishop of Belleville

## Dedication

On the occasion of the Silver Jubilee of his consecration, we, the Senior Class of 1938, respectfully dedicate this volume of our Annual to our esteemed patron and beloved Bishop, the Most Rev. Henry Althoff, D.D., Bishop of Belleville.

## President's Message

The high school graduate should be fairly well equipped to assume his place in the social order and to be a credit to himself and to his school. But with the rapidity of changes in social and economic life, will his equipment of today fit tomorrow's needs? Probably not. The graduate, who ceases to develop himself down through the years, will decay from stagnation. No matter what book knowledge the graduate has today, if he has not acquired the habit of work, he must realize the need of that habit immediately. Progress and success are spelled W O R K.

## Principal's Message

### *To the Graduating Class:*

My sincerest felicitations on your success in achieving the goal set before you at the beginning of your high school career.

Most of you are now on the threshold of a new life. With those who intend to continue as students, I would insist: be guided by true Catholic ideals when you choose your future college or university. Let those who intend to enter the active life continually bear in mind the highly Christian principles of life which were taught them during their short stay within the hallowed walls of their *Alma Mater*.

# Class History

## 1934—FRESHMAN—1935

On our entrance to Cathedral High School that sultry September morning of the year 1934, we were registered as Freshmen. There were two Freshman classes, due to the fact that the class was too large for one room. As freshmen we were well represented in all religious, athletic, and scholastic activities. Bro. Charles Sweeny, S. M. was titular teacher of Frosh "A", and Bro. Frank Bishof, S.M., titular teacher of Frosh "B".

## 1935—SOPHOMORE—1936

As sophomores, we felt a step higher in our high school career. The two freshman classes of the previous year were joined into one group. Again we distinguished ourselves in all activities and undertakings. Bro. Arthur Goerdt was our titular teacher.

## 1936—JUNIOR—1937

In our Junior year we saw ourselves a trifle closer to our ambition, to graduate from high school. After three years of hard struggle we found our number sadly depleted. Our spirit however was very much in evidence as shown by our participation in all activities.

As in our previous years, sports found many star performers in Football, Basketball, and Baseball. The highly prized Bishop Althoff oratorical award was won by one of our number, Ray Schoenborn.

Bro. John Messner, S. M. was our titular teacher.

## 1937—SENIOR—1938

Our goal was finally gained, the top reached. As seniors we were determined to make our final year a banner one. Though some entered the final year with joy, many however, felt a pang of sorrow that this was to be the end of our joyous school days at good old Cathedral High. Ray Schoenborn was appointed editor of the newly organized school paper, "The Crusader".

Again the gridiron, hardwood, and diamond flourished with members of our class. The debate squad was composed entirely of seniors.

Bro. Francis Heidemann was our titular teacher.

## Juniors

By their splendid cooperation in almost every activity of the year, the Juniors stamped themselves as one of the outstanding classes in the school. Hardly an activity passed without the Juniors manifesting a great deal of spirit in support of the venture.

Scholastically, R. Lunte, L. Schmidt, F. Mueller, T. Miller, C. Beckfeld, J. Renner, and J. Roesch were our leaders, as they managed to make Scholastic Honors one or more terms.

Our class Sodality was among the most active in the entire school, mainly because of the leadership of F. Mueller. His fellow-officers, R. Lugge, V. Winter, P. Schwemmer, and J. Roesch lent able assistance in this project. As a result of their Sodality work, Juniors were always

found in great numbers at the Communion rail.

In athletics we were represented by sixteen boys who played on the varsity teams. C. Beckfeld, O. Funsch, B. Griesedieck, C. Hoeffken, R. Lugge, F. Mueller, J. Renner, L. Schmidt, P. Schwemmer, and V. Winter made the football squad. The basketball squad numbered G. Roach, L. Schmidt, V. Winter, C. Hoeffken, R. Lunte, and F. Mueller among its members. Six Juniors are regulars on the baseball team.

J. Roesch, F. Mueller, T. Miller, C. Schumacher, and J. Renner lent their musical ability to the Cathedral Band and were valuable additions.

Oratory found F. Mueller, P. Laubner, and R. Lunte striving to win the Bishop Althoff Oratory Medal.

FIRST ROW: L. Switalla, V. Winter, G. Roach, P. Blaes, Brother Edward, P. Bauer, L. Geppert, S. Braun, R. Lugge.

SECOND ROW: J. Mueller, M. Lauer, O. Funsch, J. Roesch, A. Loesch, J. Seibert, A. Meirink, C. Steger, P. Luby.

THIRD ROW: C. Schumacher, R. Lunte, A. Lopsinger, E. Appel, J. Renner, T. Miller, C. Beckfeld, F. Hoffmann, C. Hoeffken, R. Schmidt.

FOURTH ROW: L. Schmidt, P. Laubner, H. Eichenseer, B. Griesedieck, P. Schwemmer, F. Mueller, L. Cowell, P. Helfrich, K. Dahm, E. Brueggemann.

BOTTOM ROW: A. Kohl, H. Schmidt, P. Stoeckel, Bro. Francis Dames, R. Fellner, R. Schlosser, R. Dahlmann.  
SECOND ROW: J. Downey, A. Fournie, J. Forness, E. Kohl, J. Leahy, J. Schindler.  
THIRD ROW: E. Stoelzle, L. Berkel, E. Schmidt, C. Reeb, R. Voellinger.  
FOURTH ROW: H. Biebel, J. Ehret, E. Wuller, A. Koch, R. Hubert, F. Laubner, N. Lanter.

On September 7, twenty-five boys assembled in Sophomore A for the beginning of the school year.

The Sodality was organized with A. Koch, N. Lanter, P. Stoeckel, C. Reeb, H. Biebel and E. Wuller as officers, and co-operated in the various projects of the school Sodality.

Most of the subjects were mastered by the boys but Geometry presented some difficulties to most of us. Four boys, P. Stoeckel, A. Kohl, A. Fournie and N. Lanter were consistently on the Honor Roll.

Among the outstanding achievements of the class was the leadership in the Ad Drive, Paper Drive, Christmas Card Drive and Sale of tickets for the Band Concert. C. Reeb and H. Schmidt were the leaders in the Paper and Christmas Card Drives, while R. Schlosser and J. Downey carried off all honors in the Ad Drive. At Mid-term Art Koch was

named outstanding leader in general activities.

In the athletic field Soph A was well represented. A. Koch, A. Fournie, and N. Lanter were awarded letters in football. Koch also made the basketball team, while Lanter, Dahlmann and E. Wuller helped the B team through a successful season.

E. Wuller proved himself to be the champion Ping Pong player in the school. Both Wuller and R. Fellner participated in the Ping Pong Match with Central Catholic.

J. Forness represented the class in the Elocution Contest. H. Biebel, H. Schmidt, R. Fellner and J. Ehret gave their loyal cooperation in the Band.

N. Lanter, Spirit Banner Representative, deserves much credit in helping the class claim the Spirit Banner six times in fourteen awardings.

## Sophomore A

## Sophomore B

September found twenty-five active members of Room No. 1 with the three "V"'s—vim, vigor, and vitality.

Action was shown in the various drives during the year. The paper drive ended with the class in the upper portion with the winners.

On the football field we had R. Nebgen and P. Becherer breaking lances for the Crusaders. The diamond found Eugene Pauley and George Nebgen trying to maintain the good reputation of the Crusader baseball team.

On the stage the class presented the only play of the year with Eugene Pauley, Robert Kronenberger, and James Schoen taking leading roles. The trio

will be remembered in the amusing playlet of "Doctor Sawbones".

The classroom was used by the members of the Cathedral High Radio Club as a studio for the radio amateur station W9LNY and also for an experimental laboratory. This is the first time that a classroom had a complete short wave amateur station in the history of the school and its duplication may never be met in any high school in the United States.

Eugene Pauley and James Schoen distinguished themselves by being general "handy-men" about school, helping out as "Ground Crew" in the various drives sponsored at school.

FRONT ROW: J. Platzkoester, N. Bertelsman, D. St. Eve, Bro. Leo Scholz, S.M., E. Pauley, A. Hoffman, R. Bechtoldt.

SECOND ROW: R. Schmidt, W. Gain, R. Ratz, O. Sauer, A. Karfs, A. Minor.

THIRD ROW: J. Schoen, H. Edelman, N. Amann, R. Nebgen, R. Gravlin.

FOURTH ROW: G. Dashner, G. Nebgen, R. Kronenberger, P. Becherer, W. Grandcolas.

BOTTOM ROW: L. Cordie, P. Schmidt, K. Juen, W. Daab, C. Truttmann, Bro. Arthur Coerdt, D. Lauer, O. Joffray, L. Neff, J. Schmidt, R. Dambacher.

SECOND ROW: W. Conrath, E. Heman, R. Sternau, C. Becherer, W. Biekert, E. Sternau, E. Schilling, C. Idoux.

THIRD ROW: F. Ehret, E. Schaefer, K. Jones, C. Karfs, K. Kain, A. Beelman, R. Regensberger, J. Phillips.

FOURTH ROW: F. May, C. Wittenauer, R. Huber, O. Quirin, T. Nesbit, A. Muckensturm.

Last September we were just a group of thirty-two timid freshman wondering what the first year of high school had in store for us. Now, at the close of the school year, with our number still intact, we set down the record of our principal activities.

Interesting and fruitful sodality meetings were held regularly under the capable leadership of our officers: F. May, C. Becherer, R. Sternau and E. Schilling. Five boys, C. Becherer, E. Heman, R. Huber, A. Muckensturm and C. Truttmann, became band members. Nearly half of the class joined Brother Leo's radio club.

Led by our star pitcher, F. May, we finished second in the intramural indoor league. J. Phillips represented the class on the football squad. Basketball found J. Schmidt a regular on the "B" team. Class candidates for the baseball team were plentiful, but only F. May and J.

Schmidt were chosen for the squad, the former as a regular outfielder. Leading ping-pong players of the class were W. Conrath and J. Schmidt.

Fifteen members of the class made the honor roll at least once, with W. Daab, K. Kain, C. Idoux, C. Wittenauer, E. Heman and L. Neff being the most consistent.

In the field of individual achievements K. Kain and R. Dambacher have the enviable record of attending Mass daily, and of being neither absent nor tardy throughout the year. K. Jones won the praise of students and faculty by his excellent posters. Lester Cordie was an able cheer leader; the spirit banner representatives, K. Kain and O. Joffray, were outstanding for their devotedness to the duties of their office.

The most praiseworthy achievement of the class as a whole was their consistent leadership in attendance at daily Mass.

## Freshman A

## Freshman B

Active participation in all extra-curricular activities and definite leadership in scholastic and spiritual affairs are the features of the 1937-38 model of the Freshman B class.

Third place in the spring paper drive, second in the food and bundle drive, and winner of the book drive show our activity in that line. Paul Lugge and Robert Cowell led the school in the food and bundle drive and book drive respectively.

Bill Costello, Paul Lugge, Bill Luby and Dick Wuller represented our class in athletics. Costello earned a minor letter in football. We placed four finalists in the annual elocution contest and have seven members who play in the school band.

With an active sodality prompting our initiative, we have established a reputation for attendance at devotions and frequent reception of the sacraments. Richard Wuller is prefect of the sodality and Paul Lugge is secretary.

Scholastically, we have a unique record. We have lead the honor roll every term; twenty-four of our thirty-two members have achieved honors in at least one term. Lugge, Rice and Wuller have maintained 98 per cent averages throughout the year, while Hoff, Grandcolas, Grewach, Klapp and Weygandt have taken places only a few points behind. Besides these, P. Breidenbach, J. Gundlach, T. Gundlach, Hausmann, Homrighausen, Schlosser and Wottowa have consistently been among "those who have merited honorable mention".

FRONT Row (left to right): A. Breidenbach, T. Collins, P. Grewach, R. Miller, Brother Louis Trawalter, J. Rice, W. Luby, J. Lubus, R. Wuller.

# Band

The Cathedral High School Band finished one of the most successful years of its existence. It participated at all the home football games, assisted at most of the basketball games, and performed at two concerts through the year.

The Cathedral High School Band was organized in 1930 under the direction of Brother Charles Kinsky and is now under the leadership of Professor Bernard Miller, and Brother Louis Trawalter. The Band has grown from a very small group to its present membership of 26 students. Larger additions each year by graduated members of the Cathedral Grade School band insure its continued numerical growth.

Music is the grandest and noblest of the arts and the last to be cultivated among civilized people. "The growth of

school bands in recent years will, in near future," according to Dr. Walter Damrosch, "make the United States the most musical nation in the world."

The Cathedral High School Band presented its first concert of the year on January 21, 1938. The concert was well attended, and the spectators were kept in suspense from the first stroke of Professor Miller's baton to the last as the music lovers were enchanted with marches, waltzes, overtures and serenades. The feature number of the concert was "Tannhauser" by Richard Wagner. The Cathedral High School was complimented by music lovers and requested to present another concert. After much consideration by the faculty and Prof. Miller, another concert was scheduled for April 29.

Under the guidance of Rev. Father Mueller, Chaplain, and Brother Wilfrid Moran, Moderator, the Sodality of the Blessed Virgin functioned very successfully.

The Sodality is divided into four committees: The Eucharistic Committee, the Marianistic Committee, the Mission Committee, and the Catholic Action Committee.

Monthly first Friday Communions and meetings were the feature of the Sodality. Very spirited discussions on various topics of Sodality work enlivened the meetings and made them interesting for all.

The bundle drive, under the auspices of the Sodality, was a huge success. As a unit, the Sodality showed its mettle by signing pledge cards for the drive against lewd literature. This drive was spon-

sored by the Catholic Youth Organization. Many posters produced by members of the Sodality kept the pledge alive in the minds of the students.

Several Seniors and a number of Juniors attended the Sodality Convention in St. Louis and returned with new ideas concerning additional Sodality work.

The annual retreat was held under the direction of Rev. Father Eugene Lamb, S.M. A general communion and rally, closing the retreat, was held on December 8, Feast of the Immaculate Conception. On the same day, the Freshmen were formally enrolled as members of the Sodality in a beautiful ceremony at the Cathedral.

As a farewell gift to the school, the Senior unit donated the beautiful statue pictured above.

## Sodality Officers

FRONT ROW: C. Beckfeld, E. Braun, K. Dahm, D. Rice.  
SECOND ROW: J. Schomber, J. Halloran, J. Ratz.

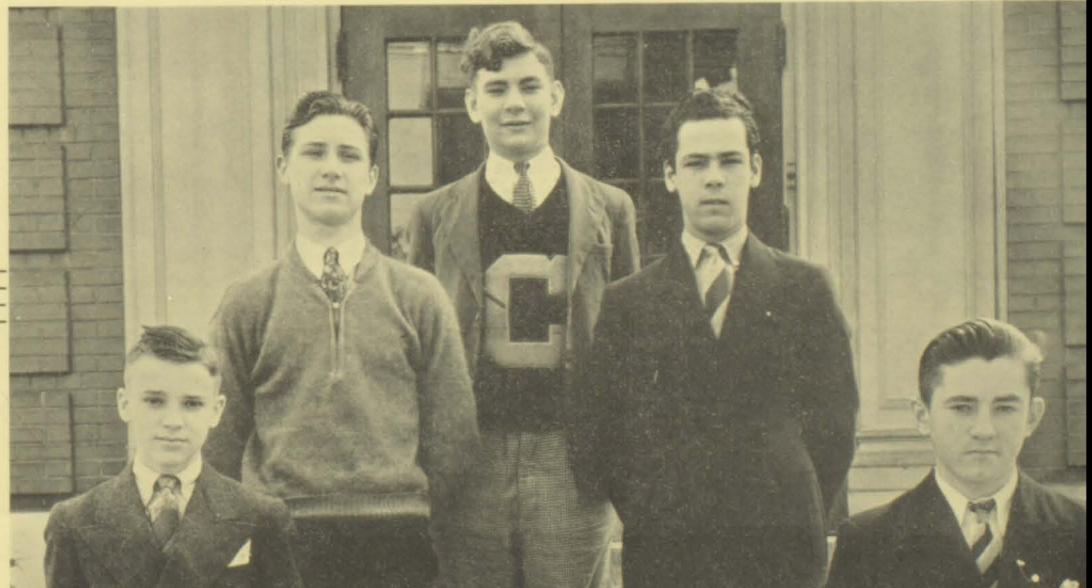

## Parish Representatives

In order to reach each individual student and make the sodality work more practical each class is constituted into a particular sodality unit patterned on the general school unit. The prefects of these units, together with the Senior officers, compose the Central Committee of spiritual activity.

To foster a more friendly feeling between school and parish, and to encourage parish activity among the boys at school, a parish committee has been appointed, composed of a representative from each parish. These representatives have been admitted to membership in the Central Committee of spiritual activities.

## Class Prefects

Richard Wuller, Robert Kronenberger, Ferdinand Mueller, Art Koch, Fritz May.

Charles Reis, Jack Halloran, Ray Schoenborn

The Cathedral teams participated in three debates. The first with South Side High, second with McBride, both in St. Louis. The third took place at Central High in East St. Louis.

The question was "resolved that the several States should adopt a Unicameral System of Legislation."

The Cathedral Debate trio took the negative side of the question.

Previous to the league schedule an all-day training session was held at St. Louis University High, at which time our rep-

resentatives took part in five debates. After each debate they were taken to task and told how to improve their talking points. Criticisms were severe, but very helpful and greatly appreciated. During the lunch hour at the cafeteria they listened to a debating team from the St. Louis University.

Though the team lost every decision, the training and experience which was received will stand the participants in good stead in the future.

Bro. Louis Trawalter was in charge of the debate squad.

Raymond Lunte, John Homrighausen

The fourth annual "Bishop Althoff Oratorical Contest" and the "Alumni Elocution Contest" was held in the presence of His Excellency on April 26. When the decision of the judges was rendered, the Most Reverend Bishop presented the Oratorical medal to Raymond Lunte, a junior, while Charles Wuller, '34, the Alumni President, presented the elocution award to John Homrighausen.

Ray Lunte won the oratorical contest with his discussion of the topic: "Catholic versus Secular Press". Ferdinand Mueller and Paul Laubner, also juniors, likewise participated in the contest.

John Homrighausen, a freshman, recited the piece, "William Tell", to earn

the Alumni medal. His fellow contestants were: Frank Klapp, Joseph Hausmann and Richard Wuller, all freshmen, and Robert Kronenberger and Jerome Forness, both sophomores.

Due to the large number of contestants for the elocution honors, an elimination was held to choose the six who were to recite before the Bishop. The boys who took part in this elimination, but who failed to qualify for the finals, were: Calvin Truttmann, Ed. Sternau and Clement Wittenauer, of Freshman A, and Charles Weygandt, Harold Donavan and Garret Halloran, of Freshman B.

FIRST ROW: John Klapp, Richard Wuller, Jerome Forness.  
SECOND ROW: Robert Kronenberger, Paul Laubner, Joseph Hausmann.  
REAR ROW: Ferdinand Mueller.

FIRST ROW: O. Joffray, N. Lanter, A. Karfs, L. Schmidt, C. Weygandt.  
SECOND ROW: J. Guettermann, Chairman.

The work of this committee was confined largely to awarding the spirit banner to the Juniors and Sophomore A. The activity of these two classes seemingly cornered the spirit banner market. It was awarded to the Juniors seven times, the Sophomore A class six times, and to the Seniors once.

This committee is assisted by Brother Edward Dunne, faculty advisor. Joe Guettermann, the Senior member, also chairman of the committee, has been a member for three years.

Pee Wee Schmidt, representative of the Junior class, has also had three years' experience, and his able service has proved valuable to the committee.

The Sophomore representatives, Norm Lanter of Soph A, and Al Karfs of Soph B, have had two and one years' experience, respectively. The Freshman committeemen are Oscar Joffray and Charles Weygandt.

The work of this committee was very valuable in keeping up the spirit of the school. The success of many drives has been attributed to the work each member accomplished in his individual classroom.

The spirit banner was introduced about seven years ago by Brother Ambrose Locsebrock, then principal. The committee was organized by Brother Eugene Gittinger three years ago.

## Radio Club

The ambition of W9LNY, Cathedral High's private radio broadcasting station, was realized when Bro. Leo Scholz, its instigator and first engineer, sent out his first CQ on Chaminade day, January 22. This was not Brother Leo's first attempt at emitter construction. A licensed amateur, he built and operated senders in Peoria, and in Victoria, Texas.

The Cathedral radio club forms Brother Leo's studio staff. The officers of the club, C. Reis, P. Reime and E. Friedrich, as well as R. Huber, E. Pauley and A. Muckensturm, are actively engaged in building sets under the moderator's supervision.

Dr. Waldman, W9DHY, an amateur in Belleville, was of great help to the club in its infancy in assisting the members in code drills.

W9LNY proved of great help when the recent tornado struck Belleville, in getting the news out to neighboring cities and in securing help for the distressed area. On that fateful night, the Cathedral High studio was host to a number of amateurs: W9DJG of Alton; W9UZK of Woodriver, and W9TCB of Highland, who came to Belleville with their portable sets, to be of assistance. W9WDZ of Collinsville, in constant contact with W9LNY, relayed the news to other parts.

KNEELING: Ed. Schlich.

STANDING: E. Friedrich, P. Reime, C. Reis, R. Kronenberger, Bro. Leo Scholz, S.M., R. Huber, B. Boskamp, O. Sauer, E. Pauley.

## Alumni

Charles Wuller, '34

On December 13, the members of the Alumni Association met to elect new officers for the present year. Charles Wuller, '34, was chosen to take over Ed. Hausmann's, '11, duties as president; Clarence Muren, '35, succeeded Ray Brichler as vice-president, and Roland Sax, '36, was elected secretary-treasurer to replace Casper Yoch, '32.

Following the praiseworthy custom established three years ago, the association again sponsored the "Alumni Elocution Contest" and donated the medal which was presented by the President, Charles Wuller.

The football banquet which was originally scheduled for the latter part of January had to be postponed on account

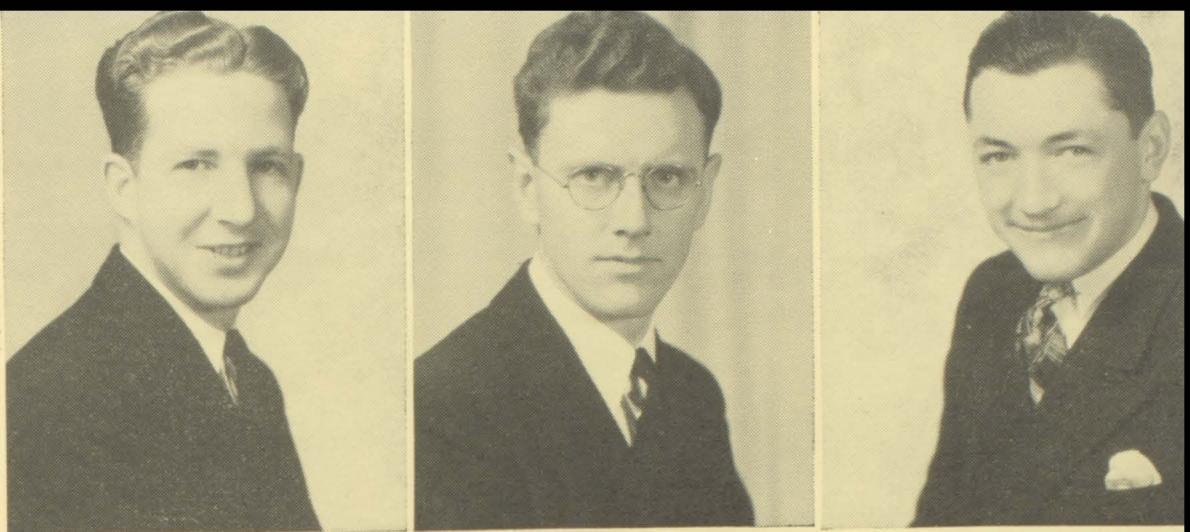

of financial conditions. It was not lost sight of, however, and it is now being planned for May 22. It will be held at the Turkey Hill Grange on the Freeburg road. Unlike former years, the football lettermen will not be the only invited guests of the association. The Alumni chose to include the lettermen of all major sports sponsored by the school.

The annual communion mass was set for June 5. The requiem mass was celebrated, as usual, for the departed of the association.

Ed Hausmann, while still president, was guest speaker at the communion breakfast which followed the general communion held at the close of the students' annual retreat on December 8.

Bob Schmidt

That the athletic program of 1937-38 was such a success is due in no small measure to the untiring efforts of the Athletic Staff. Each of these men did his share of work, and at the same time secured that which is necessary for the success of any undertaking—cooperation.

Brother Edward Dunne, the Athletic Director, took charge of coaching all the major sports at the High School. Working with young and inexperienced but willing candidates in all sports, he turned out spirited and representative teams. Most of the players of the various teams will be back to encourage next year's Athletic Staff.

In charge of the medical aspect of athletics, Doctor Heiligenstein showed himself a friend in need to many an athlete, who came to him for treatment. Not only did "Doc" minister to the bruised body of the boy, but more than

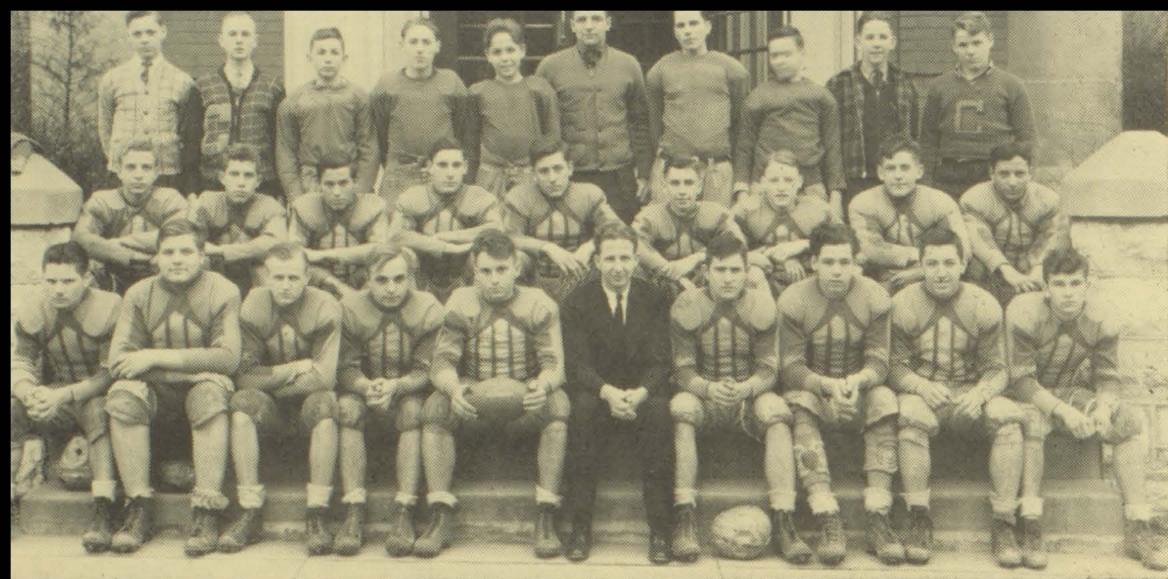

that his fine inspiration created a large amount of the enthusiasm that the team showed this year. More than one boy owes his fighting spirit to the talking of "Doc".

Introducing large-scale intramurals for the first time, Brother Frank Dames made the venture successful from the beginning. Softball and basketball were the major intramural sports, with ping-pong coming in for some attention. Through his activity, Brother Frank had most of the student body participating in some sort of athletics during a great part of the year.

Graciously stepping in, when Brother Edward was in the hospital, Bob Schmidt did the early season work in basketball, and moulded the beginnings of a team that almost turned out to be quite representative. Bob's work will be gratefully remembered.

With only three regulars returning from the 1936 juggernaut, city co-champions, the Crusaders, with characteristic spirit, set about the task of rehabilitation, and at the opening of the season had formed a smooth-working aggregation that appeared capable of holding its own with all opponents.

PERRYVILLE. Flashing a strong running attack, the Crusaders, led by Pee-wee Schmidt and Vernie Winter, ran over the Perryville crew for five touchdowns. Score, 30-6.

VENICE. Making use of a good passing attack, Cathedral submerged the Venice High School team under three touchdowns. Score, 20-0.

CHESTER. Weakened by injuries, the Crusaders suffered their first defeat of the season when they weakened in the second half and allowed Chester three touchdowns. Score, 18-6.

SOUTH SIDE. Their passing attack hampered by a heavy rain, and their fleet backs slowed down by the mud, Cathedral lost to South Side, though outplaying them statistically. Score, 12-0.

CHAMINADE. The most thrilling game of the year saw the Crusaders pull victory out of the fire in the last moments, on a strong passing attack. Score, 7-6.

ST. JOHN'S. After a slow start, the Cathedralites got going and ran over St. John's. Score, 21-7.

DUPO. A poor first half gave Dupo four touchdowns. A strong rally by the Crusaders fell short in the second half. Score, 24-13.

B.T.H.S. The greatest Township team in history ran all over the fighting Crusaders, and kept their own goal-line uncrossed. Score, 55-0.

Captain P. Reime

## Football

## Basketball

Although the basketball team of 1937-38 cannot be truthfully called the best in Cathedral's history, there is great reason to believe that the team of 1938-39 will be. Every one of this year's regulars will be back to make things difficult for Crusader opponents next season. These will be supplemented by remaining substitutes and several promising members of the freshman-sophomore squad.

In the Ill-Mo Catholic High School League, the Blue and Gold crew wound up in third place with 3 won and 5 lost. Chaminade was beaten twice and South Side once, in an upset. Two games were lost, each to St. Charles and to Central of East St. Louis, in two thrillers, while South Side administered the remaining defeat. The city championship, which the Crusaders were defending, was dropped in two games to the Belleville Township High Maroons. In the Catho-

lic state tournament at Quincy, Cathedral lost its two games, to Routt Academy of Jacksonville, and to St. Joseph's High of Rock Island. In other games, two victories were recorded, each against St. Paul's High of Highland, St. Mary's High of Carlyle, and Aviston High, while single defeats were suffered at the hands of St. Joseph's High of Cairo, and to Venice, Waterloo, and Freeburg High Schools.

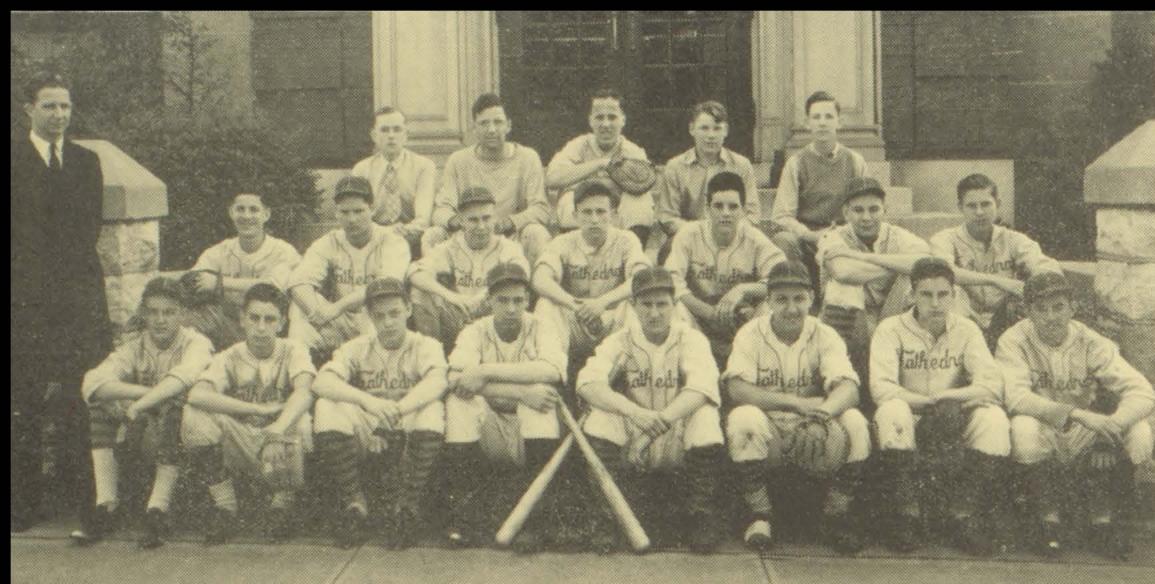

Two members of the team, Center Ferd Mueller, who led the team in scoring, and Guard Ray Lunte were named on the second team of the Ill-Mo Catholic High School League all-star combinations, while Forward Peewee Schmidt was given honorable mention. Opponents generally considered Guard Vernie Winter as the most dangerous man on the floor, and his failure to be named on the all-star five remains a mystery.

FIRST ROW: R. Lunte, C. Hoeffken, F. Mueller, L. Schmidt, V. Winter.

SECOND ROW: P. Lugge, J. Schmidt, E. Wuller, A. Koch, C. Beckfeld, E. Braun.

THIRD ROW: W. Luby, R. Dahlman, P. Becherer, G. Funsch, N. Lanter, J. Phillips, R. Wuller.

FIRST ROW: Bro. Edward Dunne, S.M., Coach; J. Roesch, E. Strittmatter, R. Lunte, A. Koch, V. Winter, L. Schmidt, R. Schmidt, F. May.

SECOND ROW: J. Schmidt, D. Rice, F. Hoffmann, F. Koch, P. Luby, F. Mueller, P. Lugge.

THIRD ROW: E. Brueggemann, Manager, P. Schwemmer, G. Nebgen, E. Braun, J. Downey, Manager.

A young team, composed of Juniors, Sophomores and Freshmen, augurs well for next season in the diamond sport. However, their inexperience has been somewhat of a handicap this year. The games that have been lost have been the result of errors and blunders of youngsters.

In pre-league games, the Crusaders were defeated by Columbia High School and McBride of St. Louis. In the Columbia contest, a great deal of hitting power was manifest that has been missed in most engagements since. Ray Lunte and Peewee Schmidt poled out homers, while Peewee and Joe Roesch also accounted for triples. Against McBride pitching

the sluggers were not so prominent and fifteen were the victim of strike-outs.

Victories have been gained in the league at the expense of St. John's and Central of East St. Louis. Fritz May, Freshman, pitched both these contests and showed great promise, as he gave not an earned run in fourteen innings. In other league games the Crusaders went down to defeat at the hands of South Side, St. Peters and Chaminade, though the pitching was excellent in all contests. Poor fielding was the downfall of Cathedral in all these contests.

Only four of the squad will be missing next season. Eddie Strittmatter, Don Rice, Frank Koch and Ermin Braun will be graduated.

## Baseball

## Intramurals

In order to make it possible for all the students of C.H.S. to participate in athletics, a program of Intramural sports was drawn up at the beginning of the scholastic year.

A softball league was organized in September, consisting of six teams from the Freshman, Sophomore and Junior divisions. The team representing Junior "A" captured the championship with five wins and no defeats. Fritz May of Freshman "A" proved to be the outstanding pitcher. E. Wuller of Soph "A" averaged 600% at the bat, followed closely by P. Luby, Junior, and R. Fellner, Sophomore.

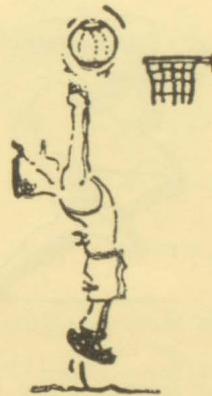

The "singles" Ping Pong tournament in November attracted eighty-nine students. E. Braun, L. Schmidt, E. Wuller, P. Becherer, J. Schmidt and R. Wuller won the championship in their respective classes. L. Schmidt defeated E. Wuller in the finals for the championship of the school.

The "doubles" tournament in January was no less popular. E. Wuller and R. Fellner, Sophomores, defeated L. Schmidt and P. Schwemmer in the finals for the championship.

In another "singles" held in February, E. Wuller emerged champion, with L. Schmidt and R. Fellner taking second and third place.

L. Schmidt, V. Winter, E. Wuller and R. Fellner defeated Central Catholic in a match by the score of 4 to 1.

Six teams, captained by Juniors and Seniors, played approximately twenty games of basketball each during the winter months. J. Roesch's team won the first round with five wins and no defeats. R. Schmidt's team easily defeated all opponents in the second round. The final round was most interesting of all. All games were won by slim margins. Each team won at least two games and lost as many. R. Schmidt and his squad again took the honors, decided in the final game of the round. Outstanding players on the various teams were: J. Renner, R. Schmidt, A. Meirink, R. Lugge, P. Luby, J. Roesch, F. May, P. Reime and D. Rice.

# Last Will

We, the Senior Class of 1938, do hereby, herewith, hereafter, and hear ye, in accord with all written and unwritten laws, including that of gravity, declare this to be our last Will and Testament and maintain any of our previous last Wills and Testaments to be null and void.

It is without any feeling of regret that we pass these detested possessions on to our most unfortunate successors:

To the rest of the school in general we leave our ability to keep off the Honor Roll, our skillfulness at skipping school, and our knack of getting seventies without doing anything.

- I, Ray Schoenborn, leave my editorial writings to Leland Schmidt.
- I, Paul Reime, leave my love for football to Chas. Beckfeld.
- I, Eugene Geppert, leave my ability to catch on to jokes quickly to my brother.
- I, Chas. Reis, leave my unusual laugh to Ferd Mueller.
- I, John "Oleo" Schomber, leave my job of malking oleo-margerine to Paul Laubner.
- I, Martin Schoen, leave nothing.
- I, Clete Bechtold II, leave my small stature to Leo Switalla.
- I, John Ratz, leave Red Bud to Cowell and Co.
- I, Bill Brandenburger, leave my night-riding to Chas. Schumacher.
- I, "Doc" Braun, leave my dumb remarks to Bud Hoeffken.
- I, Kenny Weber, leave my ability to successfully skip school to anyone who needs it.
- I, Joe Guettermann, bequeath my excessive timidity to Vernie Winter.
- I, Eugene Friedrich, bequeath my apologetic lock to someone who is apologetic.
- I, Ed Strittmatter, leave school.
- I, Don Rice, leave all my I. O. U's to Paul Schwemmer.
- I, Jack Halloran, leave my dry humor to the Junior Class as a whole.
- I, Herschel Eitzenhefer, leave my name to Bernard Griesedieck.
- I, Dave Renner, bequeath my interest in the undertaking business to my brother, John.

All our other too numerous to mention and equally useless gifts we give to anyone who will take them.
